## FREE Financial Education Campaign

2016 is going to be an exciting year for the credit union! We are rolling out a new financial education campaign to help members and non-members alike to better their financial health. These materials are being offered free of charge, and can be accessed via our website, social media, and in our branch locations.

In addition, our mobile branch has been rebranded to display a financial education theme, which we hope will encourage members of our community to focus on building healthy financial habits. We encourage all members to take advantage of the free resources we have available to help.
